

Founded in 1970, the York Region Dental Society is the second largest regional dental society in Ontario and represents the 931 dentists in the region, including 851 paid members in the society. Our membership represents a wide cross-section of dental professionals and we, as an organization, have their best interests at heart.

York region encompasses a large area north of Toronto, including Kleinberg, Vaughan, Maple, Newmarket, Aurora, Stouffville, Thornhill and Richmond Hill, amongst others. Being in the GTA, our member dentists must be at the cutting edge of their profession, and are always looking for new and innovative products and services such as those that you and your organization provide.

Our general meetings bring our members together to discuss areas of interest to the profession, provide some continuing education and provide the opportunity for networking. In the past, our evening and full day lectures have brought in around 120 members.

The society offers the opportunity for sponsorship at these meetings.

All three continuing education lectures \$4000.00 (\$5000 value)

Display table and 2 tickets to three lectures (includes lunch or dinners)

5 minute presentation at one of the lectures

Exclusivity within your field of expertise (no other sponsor within your field will be able to sponsor)

Ability to pass out promotional materials and business cards

---

One evening lecture \$1500.00

Display table and 2 tickets to the lecture (includes dinner)

Ability to pass out promotional materials and business cards

---

All day lecture \$2000.00

Display table and 2 tickets to the lecture (includes lunch)

Ability to pass out promotional materials and business cards

---

Our president will acknowledge all pertinent sponsors at the beginning of the lecture.

Over the course of the year, the society hosts several special events for our members and their families including our Family Skating Party, Tennis Event, Ski Day and CPR.

The society offers the opportunity for sponsorship at these events.
