President's Message

Did you know that membership for York Region has become the second largest of 39 component societies of the Ontario Dental Association? I am proud to announce that our membership has grown exponentially, largely due to all the fun filled events and educational meetings put together by our hard working volunteer executive committee. You will also be happy to know that membership is **free** once again!

Many members have expressed interest in "Core" CE courses. We recognize your reporting cycle is due next year and so we are offering a full day, 6 points Core CE course to help fulfill your requirements. Attendance is **limited** and staff are welcome, so register early! Registration for our events and meetings are available through Eventbrite. Save the dates for all our events and register when you receive the event email blast.

I encourage you to come out and enjoy the benefits of being a member of the York Region Dental Society. As a member, you have the opportunity to participate with other colleagues at the local society level. We also welcome members interested in getting involved on Executive or on General Council, the highest policy-setting body of the organization.

On behalf of the Executive, we look forward to meeting you personally. Get to know your neighbours, and lets have fun doing so!

Dr. Anthony Tao
President York Region Dental Association
