Welcome to another exciting continuing education cycle for the York Region Dental Society! Our membership represents a wide-cross section of dental professionals and we, as an organization, have their best interests at heart. We are the second largest regional dental society in Ontario and represent over 900 dentists in York Region, which encompasses the northern border of Toronto, Kleinberg, Vaughan, Maple, Newmarket, Aurora, Stouffville, Thornhill and Richmond Hill.

Our dental society is known for its exciting offerings of both educational and social events which provide both mandatory RCDSO continuing education requirements and opportunities for networking and professional collaboration for seasoned practitioners and the newest members of our profession. It is our purpose and our pleasure to continue providing premium CE courses/lectures to YRDS members to help them maximize the effectiveness of their dental practices.

Our success as a regional dental society can be attributed to our dedicated volunteers and to the support of our generous Sponsors. In the past our Sponsors have found these events to be a positive experience with a wealth of opportunity! Each of our meetings average more than 150 attendees.

We are looking forward to another exciting CE cycle ahead and appreciate your support.

Dr. Amanda Trotti, B.A., D.D.S.
